

## fib Model Code for Concrete Structures 2010 - ebook-download instructions

**!!!Before downloading your personal copy please read carefully the following step-by-step instructions!!!**

### **Step 1 (Download Adobe Digital Editions):**

**Before downloading your eBook, Adobe Digital Editions – the standard program required for reading and managing ebooks - needs to be installed on your computer.** To download and install, please go to:

<http://www.adobe.com/go/digital-editions-2.0-dl-win> (Windows)

<http://www.adobe.com/go/digital-editions-2.0-dl-mac> (Macintosh)

### **Step 2 (Create Adobe ID):**

Especially if you intend to copy your eBook to further devices, **it is necessary to create an Adobe ID.** Therefore, after the download, open Adobe Digital Editions (ADE) and choose “Library” (or “Help”) > “Authorize Computer”. Click on “Create Adobe-ID”.

**Please do not forget** to note down your Adobe-ID (= your email-address) and your password! Once you have received confirmation the Adobe ID is created, close the browser, return to ADE, choose again “Library” (or “Help”) > “Authorize Computer” and enter the Adobe ID and password you created.

### **Step 3 (Download your MC 2010 eBook):**
