

# 1° *fib* Italy YMG Symposium on Concrete and Concrete Structures

15 October 2019, University of Parma (Italy)

Welcome to the first symposium organized by the *fib* Italy Young Member Group for young engineers inspired by the challenging world of concrete and concrete structures. The Symposium is an opportunity to present your work and create an open forum on recent advances in the field of concrete constructions. The papers will be reviewed by members of *fib* Committees and best papers will receive the award of: "*fib* Italy YMG Award for best research advances in concrete and concrete structures".

**Registration fee:** free for *fib* Italy YMG members

**Register and submit here:** [www.fibitaliayoung.it](http://www.fibitaliayoung.it)

**Submission format:** Short paper (4 - 6 pages) + oral presentation (10 min)

**Symposium Secretariat:** Dr. Isabella G. Colombo ([fibitaliayoung@gmail.com](mailto:fibitaliayoung@gmail.com))

**Organising committee:** Dr. Marta Del Zoppo - University of Naples Federico II (*Chair*)  
Dr. Francesca Vecchi - University of Parma (*co-chair*)  
Dr. Isabella G. Colombo - Politecnico di Milano (*co-chair*)

- Important dates:**
- 30 July 2019: Registration and submission of short papers
  - 30 August 2019: Notification from *fib* reviewers
  - 15 September 2019: Submission of revised papers
