

SPONSORSHIP PROGRAMME

Sponsoring the *fib* ICCS2024 provides an excellent opportunity for your organisation to gain face-to-face exposure to worldwide delegates from academia and industry, in addition to networking with an audience of engineers and architects, researchers, consultants, constructors, students, and people engaged in the design, construction and maintenance of concrete structures. Sponsors can expect networking, branding, and various forms of acknowledgement and unique benefits depending on the type and level of sponsorship, according to the following tables.
